Open Enrollment for
Plan Year 1/1/2020 – 12/31/2020

Hard to believe, but it has been a year. and we are approaching our Open Enrollment with Aflac for the Calendar Year 2020!

Aflac Open Enrollment will run from October 1st through November 15th.

Meeting locations and dates will be announced once scheduled.

Open enrollment is your annual opportunity to:

- *Enroll*
- *Make changes to existing policies*
- *Add additional programs to your portfolio*
- *Refresh your memory on how the programs work*
- *Learn about new and enhanced programs*
- *Find out if we owe you money for Wellness Benefits*

For those who already own an Aflac policy, we encourage you to meet with the local Aflac Representative, Ron Martindale, to review your current coverage. Medical treatments are constantly reinventing themselves; make sure you have the latest policy that will provide you with the best benefits.
